

# **THE USC MEMBERS CLUB 2019 PROSPECTUS AND APPLICATION FORMS**

**Heading into 2019 USC Rugby is proud to announce the launch of an exciting, brand new, and exclusive membership opportunity to our Senior & Junior sections.**

**This membership will be available to anyone involved with the club, supporters, old boys, family members and also the wider rugby community.**

## **SOME KEY AIMS OF THE MEMBERSHIP PROGRAM**

To guarantee the provision of key support and incentives for all our players from the youngest junior to the most die hard of veterans.

Running an amateur club with a large membership is becoming increasingly difficult, and is only made possible with the support of our sponsors and volunteers. This initiative is designed to guarantee the club can give additional support and also create exciting new opportunities to give back to our rugby membership & community.

Every coach, player and supporter wants quality training equipment, coaching support, reduced registration fees for our juniors, and support for senior players who might be studying, plus a large number of other demands on the club. To maintain competitiveness and grow USC Rugby we need to deliver to all of our partners.

Along with other initiatives one key goal of the USC CLUB membership is to set up a “FUTURE FUND” over which the USC Rugby committee will have discretionary control to disperse appropriate funds in special circumstances; that might be assistance for large families, or where players who are selected for representative teams need assistance to attend training camps and games.

This year with an increasing number of players qualifying for representative teams we have seen how much this can cost, and if we continue to improve as a club then we will undoubtedly have more representative players that will need our help.

The USC CLUB Membership can, in addition, help to build funds, and make plans for rugby tours and events, the traditional nuts and bolts of rugby clubs, and the building blocks of friendships and team culture.

Combining these membership funds with traditional sponsorship agreements we aim to make USC the best rugby club on the Sunshine Coast, building a club that everyone can be proud to play in and support. We need loyal supporters to help make that dream a reality.
